

How to Verify Current List of Instructors, Co-Instructors, and TAs in AEFIS

Follow These Simple Steps

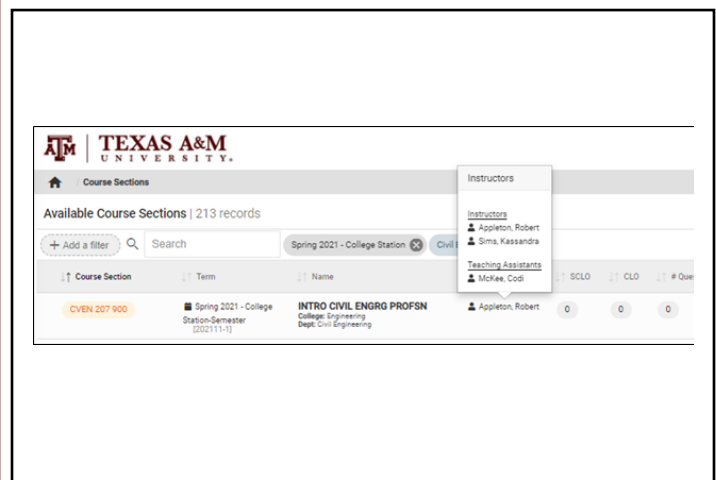

1. Login to AEFIS at <https://tamu.aefis.net> and authenticate via CAS. From the AEFIS menu, click **Course Sections**.

2. Add a filter for **Term** (i.e., Spring 2021-College Station), type either **department** or **subject code** for a list of courses offered, and then click **View**.

3. AEFIS shows an overview of the course with the assigned instructors and TAs.

4. For a quick overview, hover over the instructor listed in the previous screen and all instructors, co-instructors, and TAs assigned to the course appear.
