

ASSIGNMENT CHECKLIST PERSONAL RESPONSIBILITY

Reflect upon the planned assessment/assignment to be used for CCA and review the **Personal Responsibility** elements expected of students to demonstrate competence as part of the assessment/assignment.

The following are examples of content and constructs related to the core learning objective of **Personal Responsibility** that are expected in the final artifact produced by students:

- Identification and Description of Ethical Issue
 - Ethical issue is stated and described from own/single perspective. May either imply or state that the description provided is the only perspective/point of view to consider.
- Evaluation of Student Position and Other Perspectives
 - States a position and includes a thoughtful defense/argument for their stance.
- Consequences of Action Implementation
 - Identifies an action to address the ethical issue without acknowledging broader consequences of the proposed action/intervention.

Questions can be directed to the Office of Institutional Effectiveness & Evaluation.
